

## The All-Seeing Eye

The All-Seeing Eye, centered above the great lights, is a symbol of Divine watchfulness and care of the universe. By natural transition, the eye never sleeps; it sees everything and is a symbol of Deity.

The All-Seeing Eye is significant of His Omnipresence, that the Supreme Architect sees all and knows all, even the most hidden secrets of the human heart.

The All-Seeing Eye to Freemasons is a cherished symbol; not only to mankind since it is a comfort to us who can not do as we know we should, or even as we may want to. "To see all is to know all; to know all is to understand all; to understand all is to forgive all."

Therefore, the thinking Freemason has reverence for this symbol. We treat this symbol as one most revered whispering a Father's justice tempered with complete understanding.
